La linea di porte per interno NOVA, da sempre caratterizzata dalla ricerca di un design attuale e dall'impiego di materie di altissima qualità, si arricchisce di una nuova gamma di prodotti: la SERIE NOVA, per soddisfare al meglio le esigenze sempre più ricercate della committenza.

Porte che arredano, realizzate con materiali innovativi e raffinati, caratterizzate da linee essenziali ed eleganti, declinate in svariate essenze e colori, in grado di integrarsi perfettamente in qualsiasi ambiente, dal più minimalista al più classico.

Le nostre proposte spaziano dalla RASO MURO, porte e sportelli che grazie alla cerniera a scomparsa, allo stipite invisibile in alluminio e alla possibilità di essere rivestite con gli stessi materiali delle pareti si mimetizzano perfettamente nell'ambiente, alle serie NOVA, LACCATO, PANTHOS, ALU E TOUCH caratterizzate da soluzioni tecniche innovative, da finiture materiche e cromatiche di tendenza, personalizzabili con cristalli lisci e serigrafati, inserti, decori e laccature lucide o opache in svariati colori, per rendere la vostra casa sempre più esclusiva e affascinante.

The interior door brand name NOVA always distinguished by the continuous research for an innovative design and by its high quality materials, has now grown with a new product collection: NOVA SERIES for highly satisfying the sophisticated demands of customers.

Decorative doors realised with innovative and exquisite materials and characterized by a minimal and elegant design, available in numerous veneers and colours, to perfectly combine with every kind of room, from the most minimal to classical spaces.

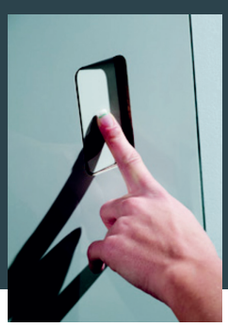

The collection broadens in several lines as RASO MURO, doors and windows that can camouflage with every room thanks to hidden hinges, recessed aluminium frame and the possibility to be cladded with the same materials of the walls, along with NOVA, LACQUERED, PANTHOS, ALU and TOUCH, lines characterized by innovative technical solutions, surprising tactile and chromatic finishings that can be more personalized with plain or decorated glasses, inserts, wood decorations and gloss or matt lacquers in many colour variations to transform your house into an exclusive and fascinating space.
